Eligibility

If you are scheduled to work at least 20 hours per week, you are eligible for benefits on the first day of the month following your initial paycheck.

As you become eligible for benefits, so do your eligible dependents. In general, eligible dependents include:

- **Your spouse or partner:** This includes your legal spouse, civil union partner, or same-sex domestic partner.
- **Your child(ren):** This includes your children to age 26, regardless of student, marital, or tax-dependent status (including a stepchild, legally-adopted child, a child placed with you for adoption, or a child for whom you are the legal guardian) as well as children of any age who are physically or mentally unable to care for themselves.

Enrollment

You can only sign up for benefits or change your benefits at the following times.

- Within 31 days of joining Westminster Public Schools as a new employee.
- During the annual benefits open enrollment period.
- Within 31 days of a qualifying life event.

**The choices you make at this time will remain in place through December 31, 2024,** unless you experience a qualifying life event as described on page 4. If you do not sign up for benefits during your initial eligibility period, you will not be able to elect coverage until the next open enrollment period.

How To Enroll

**Enroll in CORE benefits through the iVisions portal:**

1. Go to [westminsterpublicschools.org](http://westminsterpublicschools.org).
   - Select Online Apps.
   - Select Employee Portal (iVisions).
2. The link will take you to a login screen.
   - If you've already registered, click on Next.
   - If you have NOT registered, the screen will prompt you to register your account. It will ask for your work email, be sure to enter the whole email address (jschmoe@wps.org) then enter the last four of your SSN and your personal home zip code. 
   
   **Note:** The information is what you have on file with Payroll and Human Resources.
3. Once you have successfully logged in, select My information.
   - Select Profile.
   - Select Dependents and add all dependent(s) that you wish to add to any of your benefits, including spouse, domestic partner, and children. You may skip this step if you are not adding any dependents.
4. Go back to the side toolbar and select My benefits.
   - Select Enrollment.
   - Complete each step in the portal.
   - Review your enrollment then select Confirm & submit.
5. Please make sure you see a thumbs up image before closing your browser and you have successfully submitted your benefits enrollment!

To enroll in voluntary benefits, visit [enroll.thehartfordatwork.com/enroll](http://enroll.thehartfordatwork.com/enroll) or call 855-EZ-NROLL (855-396-7655). A personal benefits counselor can help you review your voluntary plan options through The Hartford.
Changing Your Benefits

Due to IRS regulations, once you have made your elections for 2024, you cannot change your benefits until the next annual open enrollment period.

The only exception is if you experience a qualifying life event. Election changes must be consistent with your life event.

Qualifying life events include, but are not limited to:

- Birth or adoption of an eligible child.
- Marriage, divorce, or legal separation.
- Spouse’s work status changed affecting their benefits.
- Death of your spouse or covered child.
- Child’s eligibility for benefits changed.
- Qualified Medical Child Support Order.

To request a benefits change, notify Human Resources within 31 days of the qualifying life event. Change requests submitted after 31 days cannot be accepted. You do need to provide proof of the event, such as a marriage license or birth certificate.

Key Terms To Know

Take the first step to understanding your benefits by learning these four common terms.

- **Copay**
  A fixed dollar amount you may pay for certain covered services. Typically, your copay is due at the time of service.

- **Deductible**
  The amount you must pay each year for certain covered health services before your insurance plan will begin to pay.

- **Coinsurance**
  After you meet your deductible, you may pay coinsurance, which is your share of the costs of a covered service.

- **Out-of-Pocket Maximum**
  This includes copays, deductibles, and coinsurance. Once you meet this amount, the plan pays 100% of covered services the rest of the year.
Westminster Public Schools offers three medical plan options through Kaiser Permanente.

The DHMO 500 and the 220 High HMO plans provide in-network coverage only. Locate a Kaiser network provider at kp.org.

If you enroll in the POS plan, you will receive the highest level of benefits and pay less out of your pocket by using a Kaiser network provider. You have the option to use First Health network providers and out-of-network providers; however, you will pay more out of your pocket for services provided by non-Kaiser providers. Locate a First Health network provider by calling 855-364-3184 or visit kp.org/kpic-colorado.

The table below summarizes the benefits of each medical plan. The coinsurance amounts listed reflect the amount you pay. Please refer to the official plan documents for additional information on coverage and exclusions.

Kaiser Permanente and Cigna Partnership
More care options are available when you are away from home or out of the Kaiser Permanente service area.

Urgent and emergency care anywhere in the world
No matter when or where you need to receive urgent or emergency care, you can file a claim for reimbursement. At many locations outside of Kaiser Permanente service areas, you will only pay your copay or coinsurance with no claim required.

Access these clinics and providers when outside of the Kaiser Permanente service area to get care when you need:
- Cigna PPO Network providers—visit cigna.com to find providers in this network
- MinuteClinics, including pharmacies
- Concentra clinics

Find care near you

Out-of-area dependents
Kaiser will cover certain routine, continuing, and follow-up care while an eligible dependent is outside of any Kaiser Permanente service area. The limited out-of-area services an eligible dependent may receive are for covered, non-urgent medical needs.

Medically necessary, urgent, and emergency care are always covered for eligible dependents while outside of the service area.

Support while you're away
Need help finding care or learning what's covered while you're away? Call the Away from Home Travel Line at 951-268-3900 (TTY 711), visit kp.org/travel, or scan the QR code.

(1) When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state. (2) If you have an HSA-qualified deductible plan, you may need to pay the full charges for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won’t pay anything for scheduled phone appointments and video visits. (3) If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your Evidence of Coverage or other coverage documents. (4) The Cigna PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna PPO for Shared Administration. (5) MinuteClinic and Concentra payment experiences vary by plan. (6) This number can be dialed inside and outside the United States. Before the phone number, dial “001” for landlines and “+1” for mobile lines if you’re outside the country. Long-distance charges may apply, and we can’t accept collect calls. The phone line is closed on major holidays (New Year’s Day, Easter, Memorial Day, July Fourth, Labor Day, Thanksgiving, and Christmas). It closes early the day before a holiday at 10 p.m. Pacific time (PT), and it reopens the day after a holiday at 4 a.m. PT.

Preventive Care
In-network preventive care is 100% free for medical plan members.
You won’t have to pay anything out of your pocket when you receive in-network preventive care. Practice preventive care and reap the rewards of a healthier future.

Preventive care helps keep you healthier long-term.
An annual preventive exam can help IDENTIFY FUTURE HEALTH RISKS and treat issues early when care is more manageable and potentially more effective.

Preventive care helps keep your costs low.
With a preventive care exam each year, you can TARGET HEALTH ISSUES EARLY when they are less expensive to treat. You can also effectively manage chronic conditions for better long-term health.

Preventive care keeps your health up to date.
Yearly check-ins with your doctor keeps your health on track with AGE- AND GENDER-SPECIFIC EXAMS, VACCINATIONS, AND SCREENINGS that could save your life.

Some services are generally not considered preventive if you get them as part of a visit to diagnose, monitor, or treat an illness or injury. Please be aware that you will be responsible for the cost of any non-preventive care services you receive at your preventive care exam based on your plan design.
Learn more about preventive care at kp.org.

Know Where to Go for Care

Where you go for medical services can make a big difference in how much you pay and how long you wait to see a health care provider. Use the chart below to help you choose where to go for care.

- **Do you have a life-or limb-threatening medical emergency?**
  - **YES**
    - Go to the **Emergency Room**
    - In the case of a true medical emergency, go to the ER. At the ER, true emergencies are treated first. Other cases must wait—sometimes for hours—and it will cost a lot more to get care at the ER.
  - **NO**
    - **Is your primary care doctor available?**
      - **YES**
        - Use **Virtual Care**
        - Get care without leaving your house. An appointment with a physician is available from your phone or computer. Log into kp.org to make an appointment.
        - **$**
      - **NO**
        - **Do you have a routine issue such as a sinus problem, rash, or pink eye?**
          - **YES**
            - Go to Your **Primary Care Doctor**
            - For care during normal office hours, it's usually best to see your primary care doctor. He or she can provide follow-up care and refer you to a specialist, if needed.
            - **$$**
          - **NO**
            - Go to an **Urgent Care Center**
            - Urgent care centers typically don't require an appointment and are often open after normal business hours. Plus, in-network urgent care centers provide faster and much less expensive care than the ER.
            - **$$**

- If you choose to see an out-of-network dentist, you will incur additional out-of-pocket expenses, and you will be billed the total amount the dentist charges (called balance-billing).
- When you see a PPO or Premier provider, covered diagnostic and preventive services do not count toward your calendar year maximum.

Flexible Spending Accounts
Alerus | alerusrb.com | 877-661-4787

Westminster Public Schools offers two flexible spending account (FSA) options through Alerus.

The Alerus mobile app is the fastest, most convenient way for you to access and manage your account, keeping you up-to-date on your expenses and account details without slowing you down. Use the app to: view account activity, check card status, submit receipts, file claims, and more.

Health Care FSA
Pay for eligible out-of-pocket medical, dental, and vision expenses with pre-tax dollars.

The health care FSA maximum contribution is $3,050* for the 2024 calendar year.

Dependent Care FSA
The dependent care FSA allows you to pay for eligible dependent day care expenses with pre-tax dollars. Eligible dependents are children under 13 years of age, or spouse, a child over 13, or elderly parent residing in your home who is physically or mentally unable to care for him or herself.

You may contribute up to $5,000* to the dependent care FSA for the 2024 plan year if you are married and file a joint return or if you file a single or head of household return. If you are married and file separate returns, you can each elect $2,500* for the 2024 plan year.

How To Use An FSA

1. Contribute
   Decide how much to contribute to your FSA on a plan year basis up to the maximum allowable amounts. This amount will be evenly divided by the number of pay periods and deducted on a pre-tax basis from your paycheck.

2. Pay
   Use your FSA debit card to pay for eligible expenses at time of service or submit a claim for reimbursement at alerusrb.com. Keep all receipts in case Alerus requires you to verify the eligibility of a purchase.

3. Use it or lose it
   For the health care FSA, at the end of the plan year, you can roll over $610* from your health care FSA to use in future years. Any amount in excess of $610* will be forfeited. Dependent care FSA dollars are use it or lose it (no roll over allowed).

* Limits not yet released at time of publication, subject to change per IRS.
Life and AD&D Benefits

Westminster Public Schools’ comprehensive benefits package includes financial protection for you and your family in the event of an accident or death.

Basic Life and AD&D Insurance

Westminster Public Schools automatically provides basic life and AD&D insurance through The Hartford to all benefits-eligible employees [AT NO COST]. If you die as a result of an accident, your beneficiary would receive both the life benefit and the AD&D benefit. Please refer to the portal at ivisions.westminsterpublicschools.org for more information.

*Please be sure to keep your beneficiary designations up to date.*

Depending on your personal situation, basic life and AD&D insurance might not be enough coverage for your needs. To protect those who depend on you for financial security, you may want to purchase supplemental coverage.

Use the calculator at [thehartford.com](http://thehartford.com) to find the right amount for you.

Supplemental Life and AD&D Insurance

Westminster Public Schools provides you the option to purchase supplemental life insurance for yourself, your spouse, and your dependent children through The Hartford. You must purchase supplemental coverage for yourself in order to purchase coverage for your spouse and/or dependents. Benefits will reduce to 60% at age 75 and to 40% at age 80.

If you elect coverage when first eligible, you may purchase up to the guarantee issue amount(s) without completing a statement of health (evidence of insurability). If you do not enroll when first eligible, and choose to enroll during a subsequent annual open enrollment period, you will be required to submit evidence of insurability for any amount of coverage. Coverage will not take effect until approved by The Hartford.

- **Employee:** $10,000 increments up to $500,000 or 5x annual salary, whichever is less; guarantee issue: $150,000
- **Spouse:** $5,000 increments up to $250,000, not to exceed 50% of the employee's election; guarantee issue: $50,000
- **Dependent children:** $1,000 increments up to $10,000 (birth to 23 years of age; 25 years if student); guarantee issue: $10,000

If you enroll in supplemental life and AD&D insurance, Westminster Public Schools will provide the first increments of coverage for you, your spouse, and your dependent children [AT NO COST].

- **Employee:** $10,000 provided by Westminster Public Schools.
- **Spouse:** $5,000 provided by Westminster Public Schools.
- **Dependent child(ren):** $1,000 provided by Westminster Public Schools.

The Hartford | thehartford.com | 866-547-4205

Westminster Public Schools provides you the option to purchase voluntary benefits through The Hartford.

The Hartford offers three plans, accident, critical illness, and hospital indemnity insurance. The cost of a plan does not change once you join; no matter how many claims you have. A $50 wellness benefit is available each year for covered employees and spouses enrolled in the hospital and critical illness plans who complete a wellness exam.

To enroll in voluntary benefits, visit enroll.thehartfordatwork.com/enroll or call 855-EZ-NROLL (855-396-7655). A personal benefits counselor can help you review your voluntary plan options through The Hartford.

**Accident Insurance**

Accident insurance can help you pay for injuries that occur on or off the job—whether common or severe. If you enroll now, you are guaranteed base coverage without having to answer any medical questions. You’ll receive 24 hour coverage and your benefit will pay a lump-sum directly to you in the event of a covered accident.

**Critical Illness Insurance**

This option will pay a lump-sum benefit directly to you if you are diagnosed with a serious illness. When you enroll, receive up to $30,000 guaranteed issue coverage to ensure you peace of mind in the event of a serious illness. You must be actively working when diagnosed to receive this benefit.

**Hospital Indemnity Insurance**

This option will pay benefits that help you with costs associated with a hospital visit such as a covered accident, illness, or childbirth. This benefit pays you a lump-sum upon admittance so that you can choose how best to cover your expenses.
